

NIKHILESWAR BEHERA

COMPUTER SCIENCE STUDENT

ANDHRA UNIVERSITY | nikhileswarb7@gmail.com | Ph: 7684023522 |

 [LinkedIn](#)

 [GitHub](#)

SUMMARY

Computer Science student with hands-on experience in Artificial Intelligence, Machine Learning, Embedded Systems, IoT, and mobile app development. Skilled in building real-time intelligent systems using Flutter, Firebase, computer vision, and automation technologies, with strong problem solving skills, teamwork, and project leadership abilities.

EDUCATION

ANDHRA UNIVERSITY | CGPA: 8.55

- Bachelor of Technology in Computer Science and Engineering(Visakhapatnam)

NARAYANA COLLEGE | CGPA: 9.32

- Senior Secondary Education in APSCHE Board(Visakhapatnam)

ST.JOSEPH'S SCHOOL | CGPA: 8.7

- Secondary Education from ICSE Board(Paralakhemundi, Odisha)

10/2023 - present

01/2021 - 07/2022

04/2012 - 07/2020

TECHNICAL SKILLS

- Languages:** Python, C, Java, SQL, JavaScript
- Frameworks & Tools:** Flutter, Firebase, Git, GitHub, TensorFlow, REST APIs
- Domains:** AI/ML, Game Development, IoT, Embedded Systems, Computer Vision
- Core Concepts:** Data Structures & Algorithms, OOPs, DBMS, Operating Systems

PROJECTS

NEXOTRACK: AI NOISE DETECTION USING HEATMAPS

05/2024 - 06/2024

- Developed a Flutter and Firebase-based AI application with 92% sound classification accuracy for real-time noise monitoring.
- Implemented GPS-enabled heatmap visualization to analyze environmental noise pollution across multiple locations.
- Automated real-time decibel data and cloud synchronization for scalable smart-city analytics.

AQUASENTINEL: AI - EDGE DROWNING PREVENTION SYSTEM

09/2025 - 10/2025

- Engineered an AI-based drowning detection system achieving 94% detection accuracy using computer vision and motion analysis.
- Integrated real-time emergency alerts, reducing response delay by 40% during critical incidents.
- Optimized surveillance monitoring using intelligent underwater activity tracking and anomaly detection.

SWACHH NETRA: IOT BASED MUNICIPALITY CLEANING SYSTEM

11/2025 - 12/2025

- Designed an IoT-enabled waste monitoring system improving garbage collection efficiency by 50% using sensor-based automation.
- Implemented automated dispatch and alert mechanisms, reducing manual monitoring workload by 60%.
- Enhanced municipality response operations through real-time waste tracking and optimized cleaning workflows.

CAREERCOMPASS AI: AI/ML BASED CAREER ROADMAP AND GUIDANCE SYSTEM

05/2026 - present

- Built an AI-powered Career Guidance Platform by analyzing 40+ real software engineer profiles and designing a PostgreSQL database with 10+ normalized tables for skill, career path, and hiring intelligence analysis.
- Developed a recommendation engine foundation that identifies skill gaps and generates personalized career roadmaps using profile, education, and transition data from leading tech companies.
- Automated ingestion and processing of LinkedIn profiles, job descriptions, and hiring signals, reducing manual career research effort by 70%+.

EXPERIENCE

CodeIAM Club Vizag – Core Member & Team Lead

12/2023 - present

- Led a team of 10+ students in collaborative project development and technical activities.
- Helped organize coding sessions and resource-sharing initiatives, improving member participation by 30%.

Google Developer Group On Campus(GDGOC) Vizag - Member & Lead

12/2025 - present

- Participated in 5+ collaborative coding events and technical workshops focused on Firebase, DSA, and game development.
- Contributed to peer learning activities and project discussions within a 50+ member developer community.

AI/ML Intern - NIT Tadepalligudem

05/2026 - present

- Developing embedded anBuilt an AI-driven career guidance system using 40+ real industry profiles and structured hiring data to model career paths, skill requirements, and company-specific hiring patterns.

CERTIFICATIONS

- Fundamentals of AI & ML in AWS 
- AI Fundamentals and AI Ready Short Term Internship by APSCHE Nasscom FutureSkillsPrime 
- Graphic Design Internship in Oasis Infobyte, AICTE 
- Microsoft Security Foundations Course by Koenig
